

My Title For Fifth Grade

Your name
Your homeroom number
Fifth Grade 2012-2013

The Beginning

How did your year start? What was the beginning of fifth grade like for you? What were you thinking coming into the year?

Hopes and Dreams

Tell what your goals for the year were. What were your hopes? What were your dreams? How did you intend to meet those goals? Who did you need support from? (This was most likely typed in Google docs. You may wish to find it and copy it.)

Term 1

Describe how the first term went for you. Did you make progress with your goals? Did you remember to work on them? What worked well for you? Is there anything that you struggled with or found difficult? Did you get the help that you needed?

New Year Resolution

Tell what your resolution was for the rest of the school year. What did you hope to accomplish before the end of the year? Did you create new goals? Did you update your goals? This was mostly likely a Google doc that you could get ideas or copy from.

Term 2

Describe how the second term went for you. Did you make progress with your goals/Resolution? Did you remember to work on them? What worked well for you? Is there anything that you struggled with or found difficult? Did you get the help that you needed? What helped you?

Term 3 and MCAS

Describe your progress in the final term of fifth grade. Again telling about your progress towards your goals. Tell how MCAS went for you. What strategies did you use? Do you feel as though the strategies helped you?

Classroom Community and Teamwork

Discuss how your classroom community contributed to your overall progress. What about your community did you enjoy? What will you always remember about this community? What lessons have you learned about being a member of a community?

P.R.I.D.E.

Explain how you've displayed P.R.I.D.E. throughout the year. Remember that P.R.I.D.E. stands for Positive attitude, Respect others and property, Individual responsibility for actions, Do your best, and Everyone learns. You may set this up as an acrostic poem with PRIDE going down and each letter starting the line. (See Mrs. McDonald's example)

Going Forward

Tell what you have learned this year that you will take with you in the years to follow. What have you learned about working with others? What will you do to be a positive member of your future learning communities? What will you choose to do so that everyone can see the best you that you can be? Who will help you?

In Summary

Summarize how you feel about this school year. What have you accomplished that you are proud of? Have you met any of your goals and if so which ones? What will you always remember? Is there anything that you will miss?
